180-220 words

At the Saturday has been good day on the street, with a good weather. I think what this will be a good attempt to have a dinner with my and my wife friends. I'm called them up and they say what agree to do that. Me with my wife start to cooking. I'm cooked a big salmon, and she cooked a good garnier to fish. I'm buy some alcohol and we place all on the table with a food. We are start to dressing up, wife do a beauty make up and looks amazing. Guests come to us and we go to house. When we stay enough the table, my wife has started to crying! Salmon has been eaten! I think that do own cat. I'm, faster than flash, run to the food shop and buy some products like already cooked meat and chips. When i come back, we startaged to eating. That was tasty. Our friends say thanks to us and go back to its house. We all get a good emotions from that dinner. I think in next time all will be tasty and luckier than that.
